Western Maryland Farm Trucking Forum April 4

Presented by Maryland Farm Bureau

Davidsonville, MD (March 13, 2017) – The Maryland Farm Bureau (MFB) is hosting a Farm Trucking Forum in Western Maryland on April 4, 2017 at the Garrett College Career Technology Training Center from 9:30 – 11:30 a.m. Representatives from the Maryland State Highway Administration, Maryland State Police and Maryland Vehicle Administration will be on hand to present and answer questions.

All Maryland Farm Bureau members, farmers and truck drivers are invited to this forum to discuss the issues facing farmers on rural roads and state highways. With spring planting coming up, members can hear firsthand how the latest trucking rules and regulations can affect their business. Farmers and truck drivers are encouraged to ask questions about IRP's, permits, tags and weight limits. Updated farm trucking manuals will be available.

The Garrett College CTTC offers a classroom for the presentation and an adjacent garage bay where we will bring in a truck to walk around and examine with the Maryland State Police as an example. Donuts and coffee will be served. This forum is free to MFB members and \$20 for non-members. The Garrett College CTTC is located at 116 Industrial Dr. Accident, MD 21520.

Please RSVP to Emily Snyder at esnyder@mdfarmbureau.com or call 410-922-3426. Visit www.mdfarmbureau.com for more information and to join/renew your membership. Individuals will be able to join and renew at the forum as well.

###

Maryland Farm Bureau is a private, non-profit membership organization. It is controlled by its members through the democratic process and is financed by voluntary membership dues. Its strength comes from the active participation of over 36,000 member families that belong to the state's 23 county Farm Bureaus. For more than 100 years, Maryland Farm Bureau has served to promote and protect Maryland agriculture and rural life.
