NEW MEMBERS

After the BJ's Representative receives and submits the applications for processing, every primary will receive a temporary card by their HR rep. Within one week, applicants will receive an e mail welcome letter from BJS. They will then need to take the letter to the Membership Desk at the nearest BJ's to receive their permanent membership cards.

RENEWING MEMBERS (Business members are eligible for this offer)

Renewing members do not get new membership cards. We will extend their membership by adding 15 months to the end of their current membership. This will take one week after the BJ's Representative receives the applications. If their membership has or will expire within the next week, they can use the temporary card from their HR rep until their membership has been renewed. Once we update their membership, their membership card will be re-activated. Renewing members will see the expiration date (seen on each cash register receipt) change after one week to reflect the new expiration date. Members can also check the BJS website for their new expiration date.

*Rewards Membership gives 2% of most purchases back at the end of the year in BJ's Bucks up to \$500.
