MORE THAN SAVINGS

Farm Bureau is a private, non-profit membership organization. It is completely controlled by its members through the democratic process and is financed by voluntary membership dues.

Its strength comes from the active participation of over 36,000 member families that belong to the state's 23 county Farm Bureaus.

When you join your county Farm Bureau, you are also becoming a member of the Maryland Farm Bureau and American Farm Bureau Federation. AFBF represents more than 6 million member families in over 2,800 counties.

Membership to MFB includes the discounts highlighted in this brochure and:

Representation at the local, state and national level on issues that directly affect Maryland agriculture

Free county tire recycling program

Free land transition planning seminars

Networking with state farmers, agricultural professionals and those who care about protecting rural Maryland

Trucking forums with Maryland State Highway Administration and State Police

DNR/wildlife management forums

A dynamic partnership with industry stakeholders all working towards the goal of preserving Maryland's top industry
