## 5 Reasons to Join

1. Help protect Maryland's natural resources and rural landscape.
2. Support family farms that are passed down generation to generation.
3. Gain access to local food, farmers markets and on-farm activities.
4. Commitment to a safe food supply and the humane treatment of animals.
5. Save money with exclusive member benefits that support the local economy.

## What is Farm Bureau?

Maryland Farm Bureau is a private, non-profit membership organization. It is controlled by its members through the democratic process and is financed by voluntary membership dues. Its strength comes from the active participation of over 30,000 member families that belong to the state's 23 county Farm Bureaus. The American Farm Bureau Federation represents over 6 million member families in more than 2,800 counties.
