****Read closely all requirements****

Eligible High Schools
Any St. Mary's County Public or Private High School

You must reside in:
St. Mary's County

Eligible Higher Ed Enrollment in 2025-2026
2-year college
4-year college or university

Minimum Cumulative Weighted GPA as of 2nd Quarter
2.75

Who can apply?

2025 Graduating High School Seniors
Current College Students

Is there a required college major or career?

Majoring in agriculture, horticulture, environmental (water, air, soil), science, biological science, natural resources, or related field of study

Other requirements you must meet to apply for this scholarship:

Applicant must be member of St Mary's County Farm Bureau, or a dependent of a St Mary's County Farm Bureau member (membership will be verified). This membership is required prior to application. Please provide membership number with your application.

Additional Requirements for "B" scholarships beyond the six required of all applicants:

Two typed pages, double spaced in 12-point font on the following topic. Instead of name at the top of each essay page put farm and the last 4 digits of your SSN. Include no identifying information, for example no college names, 4H club names, or county names. Any identifying information in your essay will disqualify the application. Renewal requests must be filed through BECAs Common Scholarship Application with a new essay.

Farmers and ranchers across the country are diverse in not only the goods they produce, but also in the ways they raise and market them. Farm Bureau's role is to broadly represent all producers. How can our organization further welcome and engage diverse agricultural communities and cultivate dynamic future Farm Bureau leaders?
